## XSEW™

High-end style  
without seams

Designed for those with a taste for sleek vibe, XSEW™ redefines headwear construction by minimizing visible stitch lines and seamlessly connecting each crown panel with seam tape.

The flawless clean silhouette is the perfect statement for elite sports events, running clubs, and forward-thinking premium brands that value detail, design, and distinction.

## NEXTFIT™

Stretch fit for  
your next performance.

NEXTFIT™ delivers peak performance and all-day comfort—whether you're training, competing, or representing your team.

Engineered with performance fabric, moisture management, and a pressure-free adaptive fit, NEXTFIT™ keeps you moving in comfort and style.

## INFINITE SHAPE™

Stand original,  
wear after wear.

INFINITE SHAPE™ applies a special film on buckram to help unstructured caps to maintain its original shape.

This resilient crown technology keeps front structure steady, so your brand logo always stands out even after washing, from the first wear to the next.

## NEXT CLASSIC™

Easy to style,  
trusted by the Market

Our most proven shape, NEXT CLASSIC™, delivers clean structure, balanced fit, and all-day comfort.

Easy to customize and effortless to wear. It works for merchandise, uniforms, and bulk orders, making it the everyday choice for teams and brands and the cap wearers keep reaching for. The go-to shape with impact that lasts.

## NEXT ECO™

Sustainable choices,  
made with care

Fabric, trim or other components of NEXT ECO™ cap is made with certified sustainable materials.

NEXT ECO™ keeps the same trusted fit, durability, and comfort while meeting today's demand for eco conscious design. NEXT ECO™ is for businesses that value the planet as much as style and performance.
